We feature medium basted eggs on many of our entrees.

We prepare eggs: **EASY** with the whites and yolks slightly runny, **MEDIUM** with the whites firm and the yolks slightly runny, and **HARD** with the whites and yolks firm.

There are many reasons our food is so good. We only buy the best. We prep our ingredients fresh everyday. AND WE COOK EACH ORDER RIGHT BEFORE YOU GET IT. This takes us a little longer than serving pre-prepared food like other restaurants. For that reason we have to limit the changes we make to our meals. Thank you for understanding that we make your food to our recipes and standards. We proudly serve Hormel Cure 81 ham and Black Label bacon.
